

REQUIRED DANCE ATTIRE

All students need to wear proper dance attire to class. All **students should have their hair up neatly way from their face**. No jewelry (bracelets, dangling earrings, necklaces, etc.) are to be worn. All dance shoes, with the exception of pointe shoes are to be **purchased through the studio**. This is to ensure ALL students have the same style and color shoes in class and on stage.

Duval Dance Studio's dress code is designed for uniformity and efficiency. Instructors need to be able to see and adjust the lines of the body. Students must be prepared for each class with the correct dancewear and shoes. No street shoes that have been worn outside will be allowed in any dance room.

The following attire allows the instructor to recognize and correct poor posture, alignment and positioning of arms and legs:
